*I believe that this vision for  
 The International School of Ministry is of God.  
 It will inspire God's people globally  
 and stir them into action as never before.*

DR. REINHARD BONNKE

## Train for Ministry!

The International School of Ministry (ISOM) is designed to equip ordinary Christians to do extraordinary things. It is for those who desire to have lives that are more victorious, fruitful and effective for Christ. Testimonies constantly come in from all over the world of how God is using ISOM students in miraculous ways to heal the sick, win the lost and do exploits for God. Many of these students were faithful members of churches who were tired of warming a pew. They wanted to get involved in the harvest, but realized they needed high quality training to prepare their lives. The ISOM is meeting that training need and is helping to launch thousands each year into ministry service.

## Learn from the Best!

The effectiveness of the ISOM is based in its breadth of great teachers. The material was never designed as a collection of theory and theology; rather we aimed at capturing the life-messages of respected leaders from many different streams of Christianity. Who better to teach evangelism than Dr. Reinhard Bonnke? Integrity than Dr. Jack Hayford? Prayer than Dr. Dick Eastman? By learning from people with diverse anointings and backgrounds, the training becomes balanced and life changing.

## High Quality

Finally, all the teaching in the ISOM was recorded specifically for this project. Instruction was done directly to the camera, in a bilingual format, with a professional multi-camera setup. This gives students the sense that they are being taught personally by these world-renowned instructors which, in fact, is the case! So, we encourage you to join hundreds of thousands of ISOM students in this exciting worldwide movement of training!

DR. MARILYN HICKEY

*People are changed when they get into God's Word  
 and His Word gets into them. It is the only thing that  
 will produce lasting results and changed lives.  
 ISOM is preparing thousands worldwide to bring  
 forth the Word... and fruit that remains. I am very  
 thrilled to be a part of it.*
