

[Verse 1]

I lift my eyes, hail my King
Dance with joy, my offering
Hallelujah, Hallelujah,
Praise the Lord, Praise the Lord

I beat my drum and swipe the strings
The timbrel sounds, the children sing
Hallelujah, Hallelujah
Praise the Lord

[PreChorus]

I Lift my eyes to where my help comes from
I Walk the valley and know I'm not alone

[Chorus]

King of Kings, the One and Only
Sovereign Lord, my Testimony
God is and forever will be, forever will be
The wonders of His love, His story
Faithful sure, He's heaven's glory
God is and forever will be, forever will be

[Tag]

Oh-oh Oh-oh-oh
Oh-oh Oh-oh-oh
Oh-oh Oh-oh-oh
God is, God is

[Verse 2]

Here's my heart surrendering
The Lord of Hosts, the love You bring
Hallelujah, Hallelujah
Praise the Lord, praise the Lord

While nations rage, my heart is still
Jesus reigns from Zion's hill
Hallelujah, Hallelujah
Praise the Lord

[Bridge 1 (2)]

Shout, shout, shout to the Lord
Sing a new song, sing a new song
Shout, shout, shout to the Lord
Let His praises ring (God is, God is)
