

[Intro]

My heart beats to a different drum My battle cry sings out, I am pressing on

[Verse 1]

My heart beats to a different drum My battle cry sings out, I am pressing on
I'm rising up as the trumpet sounds, the Lamb of God is breaking walls down

[Verse 2]

With songs of freedom, we raise our flags
No power against us will ever hold us back
We're rising up as the trumpet sounds, the Lamb of God is breaking walls down

[Chorus 1]

He's glorious, incredible, the King of Kings
Victorious, Unstoppable, His freedom rings
Jesus overcomes, Jesus overcomes

[Verse 3]

His army stands strong in victory, the Lion of Judah, that's our legacy
We're rising up as the trumpet sounds, the Lamb of God is breaking walls down

[Chorus 1]

He's glorious, incredible, the King of Kings
Victorious, Unstoppable, His freedom rings
Jesus overcomes, Jesus overcomes

[Chorus 2]

So wonderful, so beautiful, the Prince of Peace
He's mighty and all powerful, He reigns supreme
Jesus overcomes, Jesus overcomes

[Bridge 1]

Let's rise up, rise up
Let's rise up, rise up
Let's rise up, rise up
Let's rise up, rise up

[Bridge 2]

Let's rise up, rise up, He's breaking walls down
Let's rise up, rise up, He's breaking walls down
Let's rise up, rise up, He's breaking walls down
He's breaking walls down, He's breaking walls down

[Bridge 1]

Let's rise up, rise up, He's breaking walls down
Let's rise up, rise up, He's breaking walls down
Let's rise up, rise up, He's breaking walls down
He's breaking walls down, He's breaking walls down
