

[Verse 1]

Not who I am, not what I've done  
Tomorrow lies within, the work You've begun  
It's who You are, it's what You've done  
My future can begin because of You're Son

[Chorus]

If I am to be loved, make me lovely  
If I am to be Yours, make me holy  
Apart from You, I'm nothing, make me something  
If I am to be loved, make me lovely

[Verse 2]

No treasure compares to what You create  
Cause Your love is within all that You make  
And I've been made new by Your power and grace  
Father, Son, Holy Spirit, come fill this place

[Bridge]

Your fingers surround this body like clay  
Shaping the new 'till the old's gone away  
Like a symbol of hope that was made from a tree  
Jesus You make me

[Chorus 2]

Make me lovely  
Make me holy  
Make me something  
Make me lovely
