

Oh-oh-oh-oh
Oh-oh-oh-oh-oh-oh-oh

[Verse 1]

The battlefield is calling me
strengthen my heart lord, help me believe
There is no power in my enemy
Because a cross is my family tree!

[Pre Chorus]

We are we are, the family
We are we are, the hands and feet
We are we are, the infantry
oh we are, oh we are the children of God

[Chorus 1]

We are We are the children of God
We are we are the children of God
We are we are the children of God
We are, we are

[Verse 2]

We hear the sound of reveille
A song of Hope and Liberty
Our praises shout His Victory
We march as one in Unity

[Chorus 1]

We are We are the children of God
We are we are the children of God
We are we are the children of God
We are, we are

[Chorus 2]

We are We are the children of God
Sing out, sing out, exalt His Name
We are we are the children of God
Sing out, sing out, exalt His Name

[Bridge]

Mighty Healer You are glorious
Holy, Holy, (we) lift Your name above
God our Father, hear your daughters and sons
Holy Holy, (we) lift Your name above
